**8-week Virtual Program
Tuesday afternoons
1:00 PM to 2:30 PM
Jan 31 - Mar. 21, 2023**

If you want to create compelling images using photo editing, this course opens the door to a new world. This 8-week program *offered on ZOOM* introduces you to the basic Photoshop commands, how they work and how to use them to improve your photos. OSSCO©'s Training Consultant Richard boosts your confidence as well as your creativity and technical skills. Program highlights include:

Week 1 General introduction to Photoshop
Week 2 Continue working with specialized tools and tricks
Week 3 Introducing the Bridge cataloguing system
Week 4 Working with layers and the basic building blocks
Week 5 More in depth exploration of the uses for layers
Week 6 How and why mask selections/subjects to fine tune edits
Week 7 Adobe Camera Raw an internal editing tool for use with PS
Week 8 Photo recovery and colourization
